CANNABIS. ELEVATED.

HELLO@THEHLPDSK.COM
WWW.THEHLPDSK.COM

WE ELEVATE THE CANNABIS ECOSYSTEM.

We build brands, grow audiences, and create partnerships that **move the cannabis ecosystem forward**. Our work spans from branding, marketing, sales support, white-labeling, and strategic alliances, designed to drive both B2C engagement and B2B **expansion across stores, brands, venues, and culture.**

THE HLP DSK

THE VISION

Specializing in all cannabis audiences, we bring a fresh, inclusive voice to the forefront of the industry.

Our hybrid approach blends education, entertainment, and experiential impact.

With an authentic influencer network and a deep understanding of the communities we serve, we move the cannabis culture forward.

OUR MISSION

We bridge grassroots authenticity with sharp strategy to deliver bold, compliant, and culturally fluent cannabis experiences.

From hands-on influence to disruptive creative, we speak the language of the culture and the regulation.

DIGITAL MARKETING

SEO & SEM OPTIMIZATION.

We enhance your online presence across Google Profiles, Google Ads, Weedmaps, Meta, and your website, optimizing each channel for local searches like "dispensary near me." This increases visibility, drives compliant foot traffic advertising, and ensures your brand reaches the right audience.

SOCIAL MEDIA MANAGEMENT.

We manage your social media presence across multiple platforms (Instagram, TikTok, Facebook, etc) with engaging, compliant content that builds your brand and connects with your community.

EMAIL CAMPAIGNS.

We create targeted email campaigns including monthly newsletters, promotional blasts, and automated onboarding sequences to keep customers engaged and drive repeat purchases.

CONTENT CREATION.

We produce high-quality educational content including product videos, blog posts, infographics, podcasts, website and social media content, along with professional photography and video that informs customers and showcases your brand.

SOFTWARE AUTOMATION & OPTIMIZATION.

We manage your dispensary listings, run targeted advertising campaigns, and optimize your menu and reviews on the platforms where cannabis customers search and buy using software include Leafly and Weedmaps.
